Phoenix

95.000^{VND}

Blacktea, camomile, red apple, peanut, sesame, honey, ginger, lime

The Phoenix symbolizes beauty, virtue, grace, elegance, tranquility, and peace. It also represents renewal, rebirth, and joy, embodying the harmony and aspirations for a serene and prosperous life.

The Four Sacred Beasts (Tứ Linh) are symbolic creatures in Vietnamese folklore, including the Dragon (Long), Qilin (Ly), Turtle (Quy), and Phoenix (Phụng). Each creature holds its own meaning, representing the virtues of humanity and universal balance. "Tứ linh" are not just decorative symbols in art but also embody the cultural and spiritual values of the Vietnamese people throughout history. They are considered sacred treasures, symbols of nobility, and expressions of wishes for a prosperous life, bringing peace and good fortune to the nation. This inspiration led Vi Huê' to create a special mocktail collection, with each drink representing a "delicious and healthy" combination crafted from natural ingredients, offering you a unique experience and precious nutritional value!

Noon Gate

The Noon Gate is considered a structure that embodies the historical, cultural, and architectural masterpieces of the Nguyễn Dynasty, with profound significance in the feng shui of the Imperial City. Noon Gate serves as an entry point, designed to capture the flow of positive energy from the sun and the Hương River, bringing lasting prosperity and success to the dynasty.

"Perfume" River

"Perfume" River forms a "dragon vein" in the feng shui of the Imperial City, bringing peace, wealth, and prosperity. In feng shui philosophy, the winding shape of the river helps maintain the flow of life, providing abundant energy and creating a healthy living environment. It infuses vitality into the important architectural structures along its banks.

195.000^{VND}

Whiskey, sauvignon blanc, elder flower, bitter orange

"Ngự" Mountain

Along with the Hương River, Ngự Bình Mountain is the second priceless gift of nature, and together, these two landmarks create the picturesque landscape of Huế. In feng shui, Ngự Bình Mountain serves as the "backrest" for the Imperial City, offering protection and stability to the citadel. It also helps regulate the climate, creating a peaceful and prosperous living environment.

Hén Islet - Left Green Dragon

Hén Islet is a small islet located on the Hương River (Perfume River). In the context of the feng shui of the ancient capital, "Hén" islet represents the "Green Dragon" on the left side of the city. It symbolizes growth, prosperity, and vitality.

Dã Viên Islet - Right White Tiger

Along with the "Green Dragon", Dã Viên islet is the "White Tiger" located on the right side of the city. It symbolizes strength, protection, stability, and the authority of the royal dynasty. These two islets are believed to provide balance, harmony, and protection for the Imperial City.
